COMMENTS

This unique Ventnor Southside home is ideally located less than two blocks from the beach and boardwalk. It features a spacious upper unit with 5 bedrooms and 4.5 bathrooms, as well as a separate 2-bedroom, 2-bathroom apartment on the garden level. The upper unit offers an inviting wraparound front porch that leads into a bright, open living area with original hardwood floors. A powder room and formal dining room with double doors to a side deck are adjacent to the living space. The kitchen includes granite countertops, modern appliances, and access to a large deck with a retractable awning. A private bedroom with an ensuite bath is accessible via a discreet stairwell from the kitchen. Upstairs, the second floor boasts dual primary suites, each with a sitting area and updated ensuite bathrooms. The third floor has two additional spacious bedrooms and a shared full bathroom; one of these rooms includes a wet bar, making it a great option for a family or recreation room. The garden-level 2-bedroom, 2-bathroom apartment has a private entrance and features tile floors, a large living and dining area, and updated bathrooms. Exterior highlights include a spacious fenced backyard with a privacy fence and an outdoor shower. With its proximity to the beach and boardwalk, this duplex is perfect as a summer retreat, investment property with great rental history, or combine into a single family residence. The possibilities are endless!
