ARE YOU LOOKING TO GET A RESTAURANT OR A PIZZA PLACE RUNNING? This is your opportunity. This building has 3 one bedroom and 1 bath on top (fully rented) and One commercial unit at the bottom. The commercial unit used to be a pizza place, but can also be a fast food restaurant of any kind of food. It is perfectly located for this purpose. The 3 apartments are in pretty good shape. The commercial unit needs to be finished, but the electrical and plumbing are already done. Since this place used to be a pizza place, some equipment is still in place. Very easy to show with proper time allowed.
