Be the 1st to 2nd! This two story, top to bottom renovation, has been completed to perfection! You'll feel at home as soon as you walk through door with the open concept from your living room to your kitchen (featuring a beautiful kitchen island, white cabinets and a 1st floor full bath) The open space combined with a multitude of windows allows for an incredible amount of natural light, which gives the home a greater feel. All of your bedrooms are upstairs along with your second, tastefully done, full bath. Walk outside. Your newly paved driveway allows for more than ample parking in case you want to use the MASSIVE garage as your "man cave" or additional storage. Walking Distance to Downtown, Shopping and Schools. 2nd is 1st best!
