This beautiful 3bd, 2.5ba home is being sold "as-is", but don't let that deter you. This home has good bones and only needs a little TLC. The AC was replaced in 2015, the water heater in 2016. Features include hardwood floors, 1 car garage, covered porch, storage shed, primary suite with a walk-in closet and vaulted ceiling, spacious secondary bedrooms, dining room with sliders to a large fenced in rear yard with plenty of room to add your favorite out door recreations, such as a pool, playset, hot tub and or deck. Just a few minutes from Stockton University, the Garden State Parkway, shopping and AtlantiCare Regional Medical Center. Original owners!
