Highly sought after Northend & a Single Family completely renovated top to bottom inside and outside!! This 3 bedroom 2 bathroom single family has been reimaged by Silver Lining Properties and can be the perfect beach house in Ocean City for you. It features excellent outdoor space with a upper front porch, outdoor patio area in the rear and beautiful skylight shining over the interior staircase. Open floor plan, gorgeous tile work in both upgrade bathrooms, massive kitchen island and huge new windows to bring in all that summer light. Just a few short blocks from the beach, pizza shop, ice cream and entry to the boardwalk. Comes with driveway parking even a shed to store all beach chairs, bikes and other shore needs. Never been rented but would be a top tier AirBnB or a outstanding place to have a second home.
