"Looking for a little slice of paradise that checks all the boxes? Enjoy this gorgeous 2-bedroom, 2-bathroom ranch in a peaceful cul-de-sac. Picture yourself on the enclosed front porch, sipping coffee and plotting your garden domination. Inside, you'll cook up a storm in a large country kitchen with an island, cabinet space, and a cozy breakfast nook. Entertain or simply relax in the spacious living room with a built-in gas fireplace perfect for those 'let's-stay-in' nights. The primary bedroom is a retreat all on its own, featuring a handicap-accessible ensuite with a garden tub and a walk-in closet so big you could get lost in it. And don't forget the one-car attached garage with an automatic door opener—because even your car deserves a good home. Extras include a full attic for all your storage needs, a newer water heater (less than 2 years old), a freshly painted interior, and a sprinkler system to keep your lawn lush. Ready to make the move? This home is more than just living; it's living with flair!"
