COMMENTS

Great opportunity to own a 5 bedroom home on the Island for under \$1mil. Renovated kitchen and two full bathrooms, central A/C, upgraded electrical and plumbing. Now has a tankless hot water heater and a new roof - this home is ready to enjoy. With some minor personal upgrades and a new deck out back, you will be ready for outdoor cookouts and family time. If 5 bedrooms aren't needed, you could eliminate 1 of the 2 found on the 1st floor and have an extra-large living space or a designated office space to "work from home!" at your beach house!
