## COMMENTS

Beautiful home with a ton of potential. This unique home has an open floor plan, large kitchen overlooking the backyard open dining area, beautiful stone fireplace, large florida room, huge primary suite, large bathrooms, mud room, attached garage and a very large yard that will easily accommodate a pool. Don't miss out on the opportunity that this home offers. Plenty of square footage to change 3 beds to 4 and create a 3rd full bath. More photos to come.
