COMMENTS

BETTER HURRY! Not much in this town, this fine bike path location, or this reasonable price range. Vacant and ready for immediate action. Needs a bit of exterior updating...but the newer kitchen, very functional floorplan, gas ht and central air, large living room & dining room combination. This home has added value features including one-car garage, convenient powder room, large pull-down storage attic and sundrenched southern exposure backyard. So, you put a little TLC and cosmetic investment, and you enjoy among Northfield's finest streets, neighborhood and convenient bike path location (only couple blocks to K-8 community school)!!
