Immaculate first-floor condo just steps from the beach, boardwalk, and Downtown Asbury. Never rented and built in 2014, this home features hardwood floors, crown molding, and wainscoting shadow box details throughout. The open-concept kitchen boasts granite countertops, a spacious island, and stainless steel appliances. The living area is anchored by a gas fireplace and opens to the front deck, perfect for relaxing After A Day At the Beach. The private rear deck is accessible only from the primary bedroom. Enjoy the convenience and privacy of a separate interior entrance from the garage—no need to go outside or cross paths with neighbors after parking. Additional highlights include a garage with a storage room, driveway parking, impact tilt-in windows, and an enclosed outdoor shower. A rare find in a prime location!
