COMMENTS

This beautiful home offers 3 spacious bedrooms, each with its own private bathroom. The first floor features a bright, open-concept layout with engineered wood flooring and custom trim work. The gourmet kitchen is a chef's dream, boasting top-of-the-line SS appliances, including a built-in GE profile refrigerator and a commercial oven with a convenient pot filler. Quartz countertops, a Kohler farmhouse sink, and built-in refrigerator drawers within the center island add both functionality and style. A wet bar with a sink, wine refrigerator and built-in wine rack completes the space. The first floor also includes a dining area, living room and a bedroom with an en-suite bathroom, along with a powder room for guests. Upstairs, you'll find two additional bedrooms, each with en-suite bathrooms, as well as a laundry room. The primary suite features two closets-one being a walk-in- and a sunlit bathroom with a free-standing soaking tub, double sinks, and a beautifully tiled stand-up shower. This home has had extensive remodeling and renovations, with new electrical, plumbing & roofing. An unfinished basement with both interior and exterior access provides ample storage space and there is a 2 car detached garage. Located just minutes from shopping, dining, and South Jersey's stunning beaches, this home offers the perfect blend of luxury, convenience, and modern comfort.
