Built in 2021, this stunning CUSTOM home offers just over 2,000 sq ft of thoughtfully designed living space. If privacy is a priority, you will love that the rear yard backs to the tranquil Forsythe National Wildlife Refuge, ensuring no future development. Step inside to an open floor plan with a highly desirable layout, featuring the primary suite on one side of the home and two additional bedrooms on the other for optimal privacy. The living room is warm and inviting, complete with a built-in gas fireplace and an oversized window bench with storage. Engineered hardwood flooring flows throughout the home, adding to its charm. The kitchen features granite countertops, a tiled backsplash, a center island, ample cabinetry, and an upgraded SS appliance package. A spacious laundry room includes a sink and a charming barn door, while the secondary bedrooms share a large hallway bathroom. The primary suite offers a massive walk-in closet and a luxurious en-suite bath with a freestanding soaking tub, double sinks, and a beautifully tiled walk-in shower. A convenient side-entry attached garage provides access to the unfinished basement, which boasts 7\4\" ceiling height and is currently used for storage. The highlight of this home is the expansive screened-in porch, complete with 2 ceiling fans and removable window inserts for year-round enjoyment. There is a whole house generator and a \"My Leviton\" app to turn flood lights on/off from your cell phone. Nestled in an extremely private and peaceful setting, this home is just minutes from the Historic Smithville Village, where you can shop, dine, and take a scenic stroll by the pond. Don't miss this incredible opportunity - Schedule your showing today!
