This 5-bedroom 4 bath beach block upper cottage has been lovingly maintained and has a great rental history. It is move-in ready for a new owner to step in with no work to do and boasts many re-rents every year. There are two porches, front and rear on the second floor as well as a Primary Bedroom front porch on the third floor and a private third floor rear porch, all having spectacular ocean and sky views. The roof is less than a year old and the A/C was just replaced. This gem is perfect for an investment as well as family use!
