Welcome to 110 Gasko Road at Tavistock at Mays Landing! This home sits on a quiet cul-de-sac and offers a two-car garage, a fully finished walk-out basement and two outdoor spaces that overlook the peaceful NJ Pinelands! When you walk into the home you have a lovely sitting room with two walls of windows with plantation shutters. As you continue through the main floor, the home opens up to an updated kitchen with a large eat-in island and ss appliances. Conveniently close to the kitchen is the powder room with pocket door, laundry/utility room and garage door. The vaulted ceilings in the dining and living room coupled with the natural light from the rear and side windows create an open yet cozy ambiance. The sliding glass doors off the living room lead you to a tranquil rear deck perfect for bird watching and relaxing. The electric sunshade comes down with the touch of a button to offer shade as needed. The primary bedroom is also located on the main floor along with a roomy ensuite with both jacuzzi tub and shower and two, his-and-hers walk-in closets. Upstairs offers two well-sized bedrooms and a full bathroom along with a lofted bonus space overlooking the living room below. Last but not least is the fully finished basement with a large full bathroom, additional hobby room and sliding glass doors that lead out to the second outdoor space patio, equipped with a gas line grill (being sold with the house). The Association's Clubhouse offers a library, game room, gym, kitchen, conference room and great room with many events offered each month by the Social Committee. This home is perfect for an owner who is ready for a 55+ HOA community (responsible for lawn mowing, snow removal, irrigation maintenance and Clubhouse maintenance) but doesn't want to downgrade! With this home you can still nurture and maintain all of your hobbies, have family and friends come to visit or just enjoy one of the larger homes in the development! This is your chance to become only the second owner of this beautiful home!
