Lot  
For Sale

### COMMENTS

Vacant land is like good parking spots—rare and highly sought after! This is the best-priced buildable lot near the beach, bay, and golf course. And here's the kicker: with the right three-story home design, you could be sipping your morning coffee while enjoying golf course, bay, and ocean views—all without leaving your balcony. Talk about a hole-in-one investment! Building plans available,,,
