Discover your dream as you step onto a private wooded estate! This exceptional home is situated on almost TEN ACRES and features three large bedrooms, all with spacious closets, and two updated full baths. The chef's kitchen is a culinary delight, boasting a Sub-Zero fridge, gas stove, double oven, double drawer dishwasher, and, of course, a beverage fridge. In the great room, you'll find impressive cathedral ceilings, expansive windows, a cozy wood stove, and even a ladder leading you up to a bookshelf of your dreams. Outside, the beautiful landscaped area includes a fenced yard, raised garden beds, a large deck, and an inviting inground pool. The property also features a three-car garage, your home for all of your toys to enjoy the land! Join us for an open house Saturday April 19th from 12:00–2:00pm !
